ROCKINGHAM COUNTY DELEGATION

Executive Committee

January 15, 1964

10:30 A.M.

County Home

Brentwood, N. H.

A meeting of the Executive Committee of the Rockingham County Convention was called at the time and place above named for the purpose of authorizing the County Commissioners to borrow in anticipation of taxes for 1964.

Mr. Casassa was the only absent member. The following answered the roll call: Morrill, Greene, Eastman, Sewall, Palmer, Langford, Vey, Herbert, Osborne, Gay, Weeks.

On motion by Mrs. Greene the following vote was unanimously passed: "That money in the treasury of the county is insufficient to meet the demands upon the same and the sum of \$700,000.00 is estimated to be necessary for the purpose during the present year; and that approval is hereby given to the treasurer borrowing not exceeding said sum from time to time during said year upon the order of the county commissioners pursuant to RSA 29:8".

A brief report was made by Mrs. Palmer for the committee which was appointed on Oct. 23, to examine the problem of the Superior Court and Probate Court.

The committee reviewed the third quarter of the budget and the final amounts paid in each item for the year.

There was a discussion of reactions resulting from the new fees and schedule in effect at the Register of Deeds.

On motion by Mrs. Weeks, seconded by Mrs. Palmer,

it was unanimously voted that a recommendation be made through Mrs. Palmer to the Cooperative Extension Advisory Council, requesting that the Extension Service work with the Commissioners for purchases of supplies and equipment, that the Executive Committee be furnished with quarterly reports of expenditures, and that the money be allocated to the Extension Service in quarterly payments.

The meeting adjourned at 2:30 P.M.

The meeting was opened by Mr. Osborne, Delegation Chairman, who then turned it over to Mr. Morrill, the chairman of the Finance Committee. All members of the Executive Committee were present except Mrs. Greene.

The Commissioner of Deeds, Mrs. Edith Holland, explained the items in the budget of the Register of Deeds. She said this department would probably be able in 1964 to return \$24,000 to the County with an estimated income of \$64,000.

Mr. and Mrs. Hilton were present and answered questions on the budget of the County Home and Hospital.

A suggestion was made by Mr. Sampson, Sheriff, that the County hire a full time attorney who could do the legal work necessary to prosecute parents who abandon children and leave them to be supported at county expense.

Mr. Violette, City Manager of Portsmouth, asked

the Delegation to consider the possibility of hiring an industrial agent for the whole county.

Mr. Winter Eastman asked what progress had been made so far on the new County Building. Mr. Bartlett replied that the land had been purchased, the architect hired, prospective occupants interviewed, and he expected to award the contracts in April or May.

The meeting adjourned at 9:30 P.M.

Executive Session

February 17, 1964

10:00 A.M.

County Home

Brentwood, N. H.

The Executive Committee of the Rockingham County Convention met on February 17, 1964 to make recommendations on the requested budget of the Rockingham County Commissioners. All of the committee members were present, also the three commissioners and Mrs. Gladys McCoy.

Each of the items in the budget was discussed. Mrs. Holland, the Register of Deeds Commissioner, came to the meeting, presented items, and answered several questions relating to her budget.

An affirmative vote was taken on the following motion made by Mr. Casassa, seconded by Mrs. Palmer: "Instruct the County Commissioners to require that a voucher identifying the source of all revenue, accompany any payment of money to the Commissioners from the Register of Deeds Office."

On motion by Mrs. Palmer, seconded by Mrs. Greene, it was voted that the entire costs of the Office of the Register of Deeds be included in one item in the County Commissioners report in 1964.

At noon a delicious dinner was enjoyed. Included among the guests were Mr. and Mrs. Martin with

their daughter from Exeter, England. He is a member of the Board of Aldermen there and she is much interested in welfare work and the procedures in dealing with inmates of the jail.

Mr. Kelley and Mr. Upham presented details on the Cooperative Extensive Service budget. They reported a \$2,500 surplus from their 1963 appropriation and it was voted that the surplus from this department be recommitted to county surplus and cognizance given to the fact that this was from the Extension Service account.

Mr. Casassa gave the report of the committee which had been appointed to study the operations of the Probate and Superior Courts. The report was accepted with thanks for a task well done. The committee made a recommendation of no changes in procedures at this time. It was voted that the report should be duplicated and copies given to members of the entire delegation.

On motion by Mrs. Greene, seconded by Mr. Herbert, it was voted that the request be made to have all expenses of the Sheriff's Department, including the Sheriff's salary and the clerical expense, listed in the accounting of this department.

All items of the budget having been considered, on motion by Mr. Casassa, seconded by Mr. Herbert, it was voted that a total amount of \$1,264,825.85 be appropriated. Against this figure is to be applied the estimated revenue of \$570,122.95 and the amount necessary to be raised by county tax is \$694,702.90.

Mr. Morrill mentioned Health and Accident and Life Insurance plans for County employees. After some discussion this subject was tabled.

The meeting adjourned at 4:05 P.M.

Delegation Meeting

Feb. 24, 1964

10:00 A.M.

County Home

Brentwood, N.H.

With proper notification, the delegation met at the Rockingham County Home on Feb. 24, 1964. The meeting was called to order at 10:30 by Chairman Osborne and opened with a moment of silent prayer. The pledge of allegiance to the flag was led by Mr. Arthur McDaniel. Thirty eight answered the roll call and the clerk declared a quorum to be present. Four other members arrived later, making a total attendance of 42.

Present were: Barnes, McDaniel, White of Atkinson, Griffin, Vey, Fersson, Underwood, Cummings, Watts, Gay, White of Derry, Nickerson, Hackett, Collishaw, Eastman, Wylie, Weeks, Spollett, Ring, Palmer of Kensington, Clark Sewall, Twardus, Cheney, Carter, Palmer of Plaistow, Schwaner, Keefe, Stafford, Dame, Osborne, Chandler, White of Portsmouth, Lagasse, Langford, Greene, Young, Morrill, Stickney, Felch, Barker, Herbert.

Mr. Osborne then turned the meeting over to Mr. Morrill as Chairman of the Finance Committee. Each item of the expenditures and estimated revenue was considered and accepted in proper voting form. On motion by Mr. Ring, seconded by Mr. Stafford, it was voted that the sum of \$1,264,825.85 be raised and appropriated by the convention, crediting against this the estimated revenue and surplus of \$570,122.95 and committing the amount of \$694,702.90 to be raised by County tax. The fiscal part of the meeting was ended at 11:01 and Mr. Morrill turned the meeting back to Mr. Osborne.

The report on the Probate Court was given by Mrs. Palmer, also the one on the Superior Court. On motion

by Mr. Gay it was voted that these reports be accepted, printed in the next County Commissioners' report, and that a vote of thanks be extended to the committee.

Mr. Ring, Chairman of the Building Committee, explained pictures and plans of the new County Building. A fifteen minute recess was declared so that all might have a chance to examine the plans more closely. When the meeting reconvened, Mr. White of Derry moved, seconded by Mr. Keefe, that the report of the Building Committee be accepted. It was so voted.

The question of hiring an industrial agent for the county was brought up. It invoked considerable debate but on motion by Mrs. Palmer, seconded by Mrs. White, it was voted that the matter be laid on the table.

There was some discussion on suggested legislation to be proposed at the next session of the General Court in 1965, including:

1. Corrections in the '63 bill on fees in the Register of Deeds.
2. Filing fees for the Register of Probate Office which would produce revenue for the County.
3. Full time County Attorney.

On motion by Mr. Stafford, it was voted that the Chairman appoint a committee to draw up resolutions on the death of John W. Green and the members of the delegation who have passed away during the year.

Mr. Gay moved that the meeting adjourn in memory and honor of our departed County officials who have served us so faithfully. The motion carried and the meeting adjourned at 12:45. Dinner was enjoyed at the County Home.

Executive Committee

County Home

Brentwood, N. H.

The usual first quarterly review of the budget was made on April 29, 1964 at a meeting of the Executive Committee held at the Rockingham Home and Hospital. Present were: Morrill, Gay, Osborne, Weeks, Sewall, Vey, Greene, Palmer, Langford, Herbert, Eastman, Casassa, and the three Commissioners Bartlett, Fuller, and Brown.

Each item of the budget was considered and expenditures for the first quarter were compared to unexpended balances.

A motion was made by Mr. Casassa, seconded by Mrs. Vey, that the Commissioners be instructed to confer with the Commissioner of the Register of Deeds and that she be cautioned in payments for expenses so that the office will be maintained within the amount budgeted for the year. The vote carried in the affirmative.

Mrs. Vey made the recommendation that all bills for Old Age Assistance be sent to the Exeter Office. No action taken.

On motion by Mrs. Greene seconded by Mrs. Palmer, it was voted that the clerk be instructed to write to Mr. James Barry asking that the bills to the county for Old Age Assistance be kept as near current as possible.

Mr. Bartlett made a brief report on the progress of the new building.

There being no further business, on motion by Mrs. Greene the committee adjourned for dinner.

County Home

Brentwood, N. H.

On July 15, 1964 at 10 A.M. the regular quarterly meeting of the executive committee was held at the Rockingham County Home and Hospital. All members of the committee were present: namely, Morrill, Gay, Weeks, Osborne, Palmer, Greene, Herbert, Langford, Eastman, Vey; Casassa, Sewall, also the three County Commissioners.

The items of expenditure were considered in detail and approved.

On motion by Mrs. Palmer, seconded by Mr. Sewall, it was voted that an invitation be extended to Mr. Sam Hoitt to attend the next Executive Committee meeting to explain the new area agent program being considered and initiated by the Cooperative Extension Service. Mr. Morrill announced that the date of the next quarterly meeting would be Oct. 14 and the Clerk agreed to contact Mr. Hoitt.

It is evident that the amount of money appropriated for delegation expenses will not be sufficient and the motion was made by Mr. Casassa, seconded by Mrs. Greene, to authorize the County Commissioners to transfer funds into this account. Mr. Bartlett indicated that the Building Committee would have a sufficient surplus for this transfer.

The total expenditures for the second quarter were approved after a motion to this effect was made by Mrs. Palmer.

At 11:35 the business meeting adjourned and dinner was served at 12:30.

Mr. Morrill expressed thanks and appreciation for the good attendance and cooperation on the part of the committee which he has enjoyed while serving as Finance Chairman.

**TO THE MEMBERS OF THE EXECUTIVE
COMMITTEE, ROCKINGHAM COUNTY**

RE:

Study Report of Register of Probate Court:

Your committee as appointed for the purpose of study of mode of operation, salary and fees, of the Register of Probate and Superior Court has met. The committee felt that separate meetings should be held for the two departments. The first meeting was held with Mr. Frank B. Nay at his office Saturday morning November 23, 1963. Present were Repr. Herbert Casassa and Repr. Mildred L. Palmer. A third member of the committee had not been appointed to fill the vacancy of Repr. Simes Frink, deceased.

Your committee held a lengthy discussion with Mr. Nay, who was most cooperative. For your information Mr. Nay remarked that it was the first time that any appointed committee from the delegation had met with him for the purpose of a better understanding of the finances and function of the office of Register of Probate Court.

We submit our findings as follows:

There are two so called court days; Regular Court and Speecial Court.

Types of papers-or documents-handles include; Administration, Wills, Estates, Guardianship, Waiver (five day marriage law) and Committement papers (mentally incompetent).

Regular Probate Court days are held on the first, second and fourth Tuesday of the month — August excepted —, and the month of April on the second and fourth Tuesday.

Special court is held each Monday, and at other times by appointment.

There is no fee charged for filings which are handled at regular Probate court session. However, there is a charge for all transactions held at Special Court sessions, which is \$10.00 plus a 3.00 recording fee. The \$10.00 fee is payed to the Judge of Probate, and is received by him whether present or not.

The Register of Probate receives fees from individual requests for copies of records from his office. This fee is the same as that charged, or received by all other certifying officers — .50c per page. There is also a small fee received from the towns from the required reporting, from the office of Register of Probate, of deceased persons who resided or owned real estate in such town, or whose estate was entere for probate during the preceding tax year.

There is no money received by him from inheritance tax. The receipt of payment only, is filed with the Register of Probate. All money goes to the State.

The salary of the Register of Probate, and that of his Deputy is payed by the State of New Hampshire.

The total salary of the Register of Probate for 1962 was \$10,324.

Paid by State of New Hampshire	\$ 3,900.00
Rec'd from fees for copies	
of documents	4,800.00
Rec'd from Misc. fees	1,623.74

TOTAL	\$10,324.26
-------	-------------

The salary of the Deputy is —	\$ 4,300.00
-------------------------------	-------------

Other employees are:

1 full time employee

1 part time employee

both are paid by the county.

The county is responsible by law for all expense of operation of the office. The responsibility of the office is that of the Register. Much time was given to the detail operation of business transacted. Mr. Nay stated that it is his intent to go to microfilm of the record in some near future date. This he believes will be a saving of money to the county.

RECOMMENDATION:

In consideration of the information obtained your committee recommends that there be no changes proposed for the office of Register of Probate at this time. The fees received do not appear to be out of line for the amount of work involved or the time consumed. The office of Register is one of great responsibility, we feel that Mr. Nay is operating on an efficient basis; at necessary times he is spending more than the normal week working hours, thereby making it unnecessary to employ more clerical help.

Respectfully submitted,

Repr. Herbert Casassa, Chm.

Repr. Mildred L. Palmer

ROCKINGHAM COUNTY REPORT

WHERE YOUR COUNTY TAX GOES

WHERE YOUR COUNTY RECEIPTS COME FROM

COUNTY COMMISSIONERS REPORT

It is with a great deal of pride, satisfaction and sadness that we submit our Annual Reports of the Rockingham County Officials.

We are proud that Rockingham County continues to be regarded as the finest County in New Hampshire and through full cooperation of County Officials and County Employees we were able to complete the year 1964 with a cash surplus.

We are proud of our County Home, one of the finest in New England and we are sorry that the full capacity makes it necessary for the patients wanting admission to have to wait.

The year 1964 saw the commencement of the new County Court Building which should be completed in the fall of 1965.

We are looking forward to the Agricultural Field Day and Open House which will be held at the County Farm in early June.

Rockingham County was saddened by the sudden death of Arthur J. Call, Jr. for many years Clerk of Rockingham County Superior Court, a dedicated public servant.

We continue to thank all of our staff of employees, County Officials, County Delegation, County Executive Board and the Town Officials, who, working together with us, allow us to give Rockingham County tax payers more for their tax dollar than any other form of Government.

**REPORT OF COMMISSIONER TO PERFORM
THE DUTIES OF REGISTER OF DEEDS
FOR THE COUNTY OF ROCKINGHAM FOR THE
YEAR 1964**

December 31, 1964

Board of County Commissioners
Rockingham County
Exeter, New Hampshire

Gentlemen:

At the end of the first year of operation of this office under the statute passed in the 1963 session of the legislature, I submit my first and last report as Rockingham County Commissioner to Perform the Duties of Register of Deeds. I am proud to report that this office, by careful planning and by a conscientious interpretation and application of the new statute, realized a profit of slightly over \$40,000.00, the details of which are shown on my financial statement. The sincere efforts of my capable staff with the co-operation of the County officials, not only effected this pleasant financial result, but also made it possible to improve the service of this office to the municipal officials, surveyors, lawyers and the general public.

After this office researched and tested the many available types of copy machines, including microfilm and Xerox, a new Itek Photostat 14-18 Recorder was installed which has assisted materially in our overall efforts to operate this office efficiently and on a current basis. We are now able to fill orders daily for copies of the various instruments in the 1700 volumes, whether they are permanently bound or in looseleaf form. Also, we are now able to have all recordings pictured and bound in permanent form within a few days after they are filed. With this new copy machine,

we have devised a method of making the annual indices with our own staff. Previously, this work had to be sent to New York. The present method is not only considerably less expensive but makes these indices available at a much earlier date and eliminates the risk of sending such valuable records out of our control .

During 1964 we also devised and installed a new method for the filing and indexing of plans which has long been one of the real problems in the Registry. This new method not only affords better protection for these valuable plans but makes it easier to locate them.

Another new procedure has been the practice of sending the required notification of transfers and mortgages to the various towns, cities and state on a monthly basis rather than annually as was previously done. This procedure makes for a more even distribution of the work load in this office, and enables the municipalities and the state to maintain their records on a current basis.

On July 1, 1964, I appointed Ruby Schultz as my Deputy to ensure the proper administration of this office at all times.

The volume of all the types of work done by this office has materially increased during 1964 and Rockingham County Registry of Deeds is now the largest and fastest growing Registry in the State.

Looking forward to my next term, I plan not only to continue improved methods of handling current recordings, but to start a program of improving systems concerning items recorded prior to my term of

office. There are two areas which need or perhaps even demand such attention, the more pressing of which is the restoration and protection of plans recorded prior to 1963, the other being a modernization of the older indices. Such a program necessarily involves additional expense but I feel that it can be accomplished by a program which contemplates doing as much as is possible each year.

With the belief that the Registry of Deeds should be operated in the best interest of the general public and particularly the taxpayers, my staff and I pledge ourselves to this end.

Respectfully submitted,

Edith E. Holland, Register

In closing our report, we wish to extend recognition to our staff for their loyalty and the excellent cooperation in performing their duties unselfishly. This cooperation, which results in the type of care the patients receive, is a source of great satisfaction and pride to us.

Each succeeding year we owe debts of gratitude to greater number of friends, organizations and agencies who contribute in so many ways to make the patient's stay here a happier and more comfortable experience. This increasing interest on the part of the citizens in Rockingham County is very gratifying. We are extremely grateful to all agencies; Town, County, and State, who have so generously given us their cooperation and assistance.

The counsel, guidance, and support of the Board of County Commissioners has been of inestimable value in the execution of our duties, and for this we are grateful.

Respectfully submitted,

DOROTHY F. HILTON,

CHAPLAIN'S REPORT

To the Honorable Board of
Commissioners of Rockingham County:

As the Catholic Chaplain assigned to the Rockingham County Home and Hospital, it has been my obligation and my privilege to take care of the spiritual needs of the men and women of the Home, the Hospital, and sometimes the House of Correction and Jail.

Throughout the past year of 1964, in frequent visits to this institution, it has always been rewarding to perform my duties as chaplain with the understanding cooperation of the complete staff. May I at this time offer my sincere gratitude for this cooperation.

Sincerely yours,

Reverend Armand Provost
Catholic Chaplain

CHAPLAIN'S REPORT

To the Honorable Board of
Commissioners of Rockingham County:

This is my fourth annual report as Protestant Chaplain of the Rockingham County Home and Hospital.

I have tried, consistently, to visit all of those who are in the Home and the Hospital at least once a week. These visits have been supplemented from time to time by an individual personal visit to those who have requested it. However, being a full time pastor in addition to being chaplain, it is not easy to make more calls than those I have signified.

The Chaplain holds a religious service every other Sunday for those members of the Home who are able

to attend, and so desire. During the time the pastor, or Chaplain has been on vacation, the Sunday services have been well cared for by a substitute.

Owing to the variety of the characters of those who are members of the Home or Hospital, it is not possible to have any very definite program for all. In some cases the Chaplain can act only as a cheerful friend. In other cases he may pray with those who so desire. Again he may read a short portion of Scripture, or say a few words of assurance to those who may need them.

There is always a good supply of reading material, but from time to time the Chaplain is asked for something special, such as a Daily Devotional reading book, and he is glad to supply this when he has it on hand.

are occasions when the Chaplain has a conference with not be as regular as that at the Home or Hospital. There are occasions when the Chaplain has a conference with an individual prisoner, or may supply some reading matter. There is no chapel for religious services in the jail, so it does not seem feasible for the prisoners to be able to attend Sunday services. But the Chaplain is ready when called on to render such services as may be for the benefit of the prisoners. On a few occasions a group from the Chaplain's church has gone with him to the jail and sung a few hymns.

The work of the Chaplain is satisfying in a sense, but there is much more which could be done with more time to devote to such a service, especially to those who are in their declining years. The Chaplain is happy to be a part of an organization which is willing to give beyond the call of duty, The Rockingham Home and Hospital.

Faithfully submitted

Rev. Louis E. Watson

MEDICAL DIRECTOR'S REPORT

To the Honorable Board of
Commissioners of Rockingham County:

Gentlemen:

This has been a full year at the Rockingham County Home and Hospital. Patient areas have been full to capacity throughout the year, with few exceptions, and a waiting list of ten to twelve patients for admission a good part of the time. The majority of admissions have been bed patients, which means that the Fernald Area is practically converted to bed patients, as well as the Mitchell area.

It would seem that an increased number of patients have needed to go to Exeter Hospital for Surgery, Laboratory or X-Ray treatment. This should be self-evident because of the type of patient being admitted. It is felt that Laboratory and X-Ray findings are necessary for conclusive diagnosis and proper treatment.

The Medical Staff has continued this year as, Dr. Herman Sander 1st. assistant and Dr. Edwin Lee as 3rd staff member. With the increasing demand of more coverage, this has meant that Dr. Lee has been called in for routine care as well as covering for the other two on the staff.

We have appreciated the interest and voluntary services of Dr. Cabre McCann of Crotched Mountain in helping us with rehabilitation of the Stroke patient.

I am grateful for the cooperation of my staff members and the nursing department during the past year.

John W. Blaisdell, M.D.

Medical Director

CLERK OF SUPERIOR COURT

Committee

The committee appointed consisting of Representatives Casassa of Hampton, Palmer of Plaistow and Eastman of Exeter to look into the matter of possible additional income for the county, from the office of the Clerk of Court, held two meetings. The first meeting on January 4, 1964 in the Probate Court Room, Exeter, the second on January 25, 1964.

Meetings

Committee members present at the first meeting, were Casassa and Eastman. Clerk of Superior Court Arthur Call, was invited to attend the meeting. Mr. Call was most cooperative in explaining the work of his office, as well as answering the many questions submitted to him.

In addition to Clerk Call, the committee had the honor of having present, Judge Grimes of the Superior Court. Judge Grimes, explained in detail the procedure of the Superior Court as established by the Laws of the State of New Hampshire and the State Constitution.

Findings

The committee found, that the Clerk of Superior Court is appointed by the Judges of the Court, as designated by Article 82 2nd part of the Constitution.

That the Clerk of Superior Court, files with the Secretary of State before April 1st each year (Chap. 30:5) a statement showing income and operating expenses, for such work, as salary, recording fees, etc.

The clerk also files with the Superior Court, a report known as Schedule A. This report contains an itemized account of Income from Fees, such as Naturalization, Transfers to Superior Court and all other fees.

Part 2 of Schedule A, contains a list of expenses, such

as clerical assistance in office, misc. expenses and balance due in hand of clerk.

Part 3 and 4 lists net guaranteed income etc.

The Court guarantees the Clerk a net income, which is derived from the various fees, in other words, the monies received are placed in a common fund, from which the Clerk and his assistants, receive their remuneration, for services rendered.

Opinion

With the above information in mind, the committee is of the opinion that there is very little additional money, if any, that may be received from the Office of Clerk of Superior Court in Rockingham County, for the general use of the County.

Dated - February 13, 1964.

ROCKINGHAM COUNTY ATTORNEY'S REPORT**1964**

My tenure as Rockingham County Attorney has ended. The year 1964 was probably the busiest year that I held office. The case load in Rockingham County continues to increase, in my opinion, in proportion to the increase in population. The year 1965 should continue the trend of busy days for your County Attorney.

In leaving Office I have some regrets, for I enjoyed the work; and I felt rewarded in serving the people of Rockingham County. As most people know, I did not seek reelection because of the pressure and demands of personal business.

To George Sampson, an Administrator, whose unexcelled cooperation was greatly appreciated, I wish to extend my heartfelt thanks to him and to his dedicated deputies. The State Police, Conservation Officers, and various City and Town Police Officers did a fine job for Rockingham County in 1964, and also are to be commended.

I wish the new County Attorney, Alvin Taylor, every success. He has already shown enthusiasm for the work, and I prophesy that he will do a very creditable job as the chief law enforcement officer for Rockingham County.

Respectfully submitted,

Lawrence W. Guptill, Jr.

County Attorney

SHERIFF'S REPORT

To the Honorable Board of
Commissioners of Rockingham County
Gentlemen:

Concluding my sixth year of service to Rockingham County as its sheriff, I hereby submit my report for the preceeding year:

Due to the cooperation and diligence of my entire department, plus the cooperation of other law enforcement agencies, the ever increasing number of criminal cases in the County have been successfully cleared.

The criminal cases brought to jury trial have remained at a minimum this past year, the majority of those scheduled for Grand Jury have waived and have been quickly processed through the Court, thereby saving the taxpayers the cost of jury trials.

The Department radios and telephons are manned throughout the twenty-four hour period and we are therefore, constantly in touch with, and available to, any individual or department requiring assistance.

The use of the Department cruisers, both for investigative purposes and transportation of prisoners, continues to provide a substantial saving in mileage costs to the County.

The following cases were processed by this Department during the year of 1964:

Arson	4
Armed Robbery	4
Aggravated Assault	6
Assault	21
Assault & Battery	17

Bad Check Passers	29
Bastardy	9
Breaking & Entering	17
Breaking, Entering & Larceny	33
Contempt of Court	122
Contributing to Delinquency of Minors	12
Disorderly Conduct	19
Drunk	49
Larceny	29
Miscellaneous	53
Motor Vehicle Violations	46
Non-Support	17
Operating Under the Influence	77
Robbery	7
Rape	5
Rioting	3
Sex Offenses	11
Unemployment Violations	27
Vagrancy	8
Violation of Probation	9

My sincere appreciation to all those connected with law enforcement for their assistance and cooperation during the past year.

Respectfully submitted,

George Sampson, Sheriff

REPORT OF THE BUILDING COMMITTEE

New County Building

The Rockingham County Building Committee met many times with the County Commissioners, architect and the contractors. The new building is to be constructed on land purchased from the State of New Hampshire and from Mrs. Eva M. Sanborn, located at the junction of 101 C and Route 88, Exeter, N. H.

The architect for the new building is Maurice E. Witmer Associates of Portsmouth, New Hampshire.

The General Contractor is LeRell Construction Company of Everett, Mass. Their contract was in the amount of \$802,000.00.

The contract for the site grading was awarded to Bell & Flynn of Stratham, N. H. \$48,791.00.

The ground breaking ceremony was held at the site on October 19, 1964 and the construction was started immediately afterwards.

It is hoped that the building will be completed for occupancy sometime in late Oct. or Nov. of 1965.

The Building Committee consisting of Representatives Donald A. Ring, Chairman, Hampton, Clayton E. Osborn, Portsmouth, Lyman E. Collishaw, Exeter, Hayford T. Kimball, Derry, and Henry Murch, Portsmouth, wish to thank all those who have so generously given of their time in order that this new County Building is becoming a reality; also, the cooperation between the architect, the contractor, County Commissioners, Delegation, and the Building Committee has been outstanding and it is due to this cooperation that Rockingham County is finally to have a new County Court House.

Respectfully submitted,
Lyman E. Collishaw, Secretary
Building Committee,
Rockingham County Delegation

* * *

The agricultural agent is designated manager of the Extension Service office. He and the assistant agricultural agent are responsible for educational programs in dairy, poultry, fruit, vegetables, livestock, horticulture, agricultural engineering, farm management, marketing, rural areas development, recreation and rural civil defense.

By legislation, the agricultural agent works with governmental agencies. He aids the Soil Conservation Service with information on crops and fertilizers and serves as secretary of the Soil Conservation District.

The agent is an ex-officio member of the Agricultural Stabilization Conservation Service County Committee. Recommendations and approvals are made on seeding, fertilizing and limiting practices, based on soil test results.

The agent serves in an advisory capacity on the Farm and Home Loan Administration Board.

The agent serves the Selective Service System by giving advice pertaining to agricultural problems, and for draft deferment "yardsticks".

During the growing season the agent reports local weather and crop conditions to the New England office of the Agricultural Statistician.

The past few years have shown increasing number of requests for assistance by urban people in the lines of lawn care, home gardens, ornamentals and pest control.

The agent also serves as executive secretary to the Rural Areas Development Committee.

The information given above outlines the agent's main duties. A detailed annual report is available for examination at the Extension Service Office.

HOME ECONOMICS EXTENSION WORK

During 1964 participants in Rockingham County Home Economics Extension Work conducted 574 meetings with 9725 in attendance. Volunteer local leaders went to 16 subject matter training schools with 392 attendance. Then they held 273 meetings in their communities with 3,963 homemakers. This activity indicates the value of a local leadership training system. It supplemented the teaching efforts of the Extension Home Economist and the part-time Ass't. Extension Home Economist and guest speakers in teaching other subject matter projects, not taught by the trained local leaders. The professional staff taught at 285 meetings with 5370 present.

This educational program for homemakers is open to all of the country's adult citizens. They may participate in several ways: by attending one of the thirty-five Home Economics Extension groups that meet monthly, or by attending other organizational groups sponsoring an Extension project. Another method is to attend special interest workshops' of two to five days in specific subject matter fields of interest to the individual.

A homemaker may request Extension Service bulletins for her use without attending a meeting on a topic. She has access to assistance to her homemaking problems through office or home visits, telephone calls, correspondence, WENH-TV programs, radio programs, news articles, subject matter circular letters in foods, clothing, human relations, and home horticulture, exhibits, tours and an encampment.

During 1964 the annual statistical report showed that 121 home visits made, 323 office calls, 659 telephone calls, 6,937 bulletins distributed to homemakers, 19,-

817 circular letters were distributed on request.

The subject matter fields in which there was emphasis in 1964 were: meat selection, freezing foods and freezer management, nutrition, marketing, food preparation for family and guests, consumer buymanship on fabrics for clothing and house, fabric care, clothing selection, pattern fitting, beginning sewing, dressmaking, tailoring, and use of sewing machine and attachments.

In the home management projects the topics were good use of storage space, financial and kitchen planning, home accessories: selection and arrangement and housing. Projects in human relations were taught to increase skill, knowledge, and understanding in family communications, interpersonal relationships, homemaking and its responsibilities.

Homemakers could also choose projects on traffic safety, N. H.'s Tax Structure, zoning principles, food in an atomic age, town affairs, school affairs, school health, water conservation, home horticulture, and the International Farm Youth Exchange program. Each group selected its own programs.

The monthly groups gave a \$150 tuition scholarship to Miss Deanna Perkins, a UNH student majoring in home economics. This was the ninth such award to encourage girls to enter this professional field.

FORESTRY

Recent information from the U.S. Forest Service indicates that Rockingham County is now 80% forested, a 6% increase in the past ten years. The increase is largely due to farm land abandonment. The types of natural stands that develop in old fields usually require some type of cultural treatment such as weeding and thinning, in order to insure the development of a productive stand of timber. The county forester and his part-time

assistant inspected 918 acres of this work, that was accomplished on approximately 200 different ownerships, in fiscal year 1964. We plan to continue to place emphasis on this important cultural treatment to immature stands.

Last year over 200 thousand forest seedlings were distributed to landowners in the county for spring planting. Nearly half of these seedlings were white spruce, a Christmas tree variety. This is an indication of the rapidly expanding interest to develop the retail Christmas tree business. We are providing both management and marketing assistance to these growers.

The county forester participated in the following group meetings and demonstrations: Log Grading Demonstration, UNH Forestry Field Day, ASCS Field Tour, Christmas Tree Shearing and Shaping Demonstration, Sugar Bush Thinning Demonstration, Forest Products Exhibit at Deerfield Fair, Forestry Forum, Multiple Land Use Tour, Aerial Photograph Meeting and a Water Problems Meeting.

Rockingham County landowners harvested two and one-quarter million board feet of timber in fiscal year 1964, using improved cutting practices, through the cooperative effort of the county forester and private consulting foresters.

The use of mass media, to include radio tapes and newspaper releases, has increased our opportunity to educate the general public in the field of forest management. Numerous homeowners, in the urban areas of the county, received recommendations concerning the control measures for shade tree insect and disease problems.

4-H CLUB WORK

The youth program of the Cooperative Extension Service continues to interest more young people. Rural non-farm and urban youngsters have more than off

set any decline in the number of 4-H members living on farms. The 1964 Rockingham County 4-H enrollment of 2215 was more than twenty-five percent of the total for the state. This compares with a 1963 enrollment of 2132 and a 1954 total of 1416.

The most popular projects continue to be Clothing and Food. But Craft, Horsemanship and other projects geared to non-farm boys and girls are rapidly increasing in popularity. That the high quality of 4-H members' work has been maintained is proven by the large number of blue ribbons awarded wherever 4-H work is exhibited. Rockingham County also had winners in state competition, including first place team in the dairy judging contest, one delegate to National 4-H Club Conference in Washington and four delegates to National 4-H Club Congress in Chicago.

Rockingham County was one of ten counties in the United States invited to send delegates to a Citizenship Education Workshop at the National 4-H Center in Washington. Five Junior Leaders and the County Club Agent attended this workshop for two weeks in June. Rockingham County youngsters filled both 4-H camps for two weeks in August. They also camped with most of the other counties too and by the end of the summer 523 members and junior leaders had attended camp for one or more weeks.

These are some of the highlights of the 50th year of 4-H clubs in Rockingham County.
